Dear Fellow Alumni,

I hope your memories of the years you spent at Haverford High School are as positive as mine. Not only did we get a fine education, but also developed friendships that continue to this day. The school had an outstanding faculty, but one teacher sticks out in many of our minds. That is Stephen M. Juenger, coach, teacher, and leader, who made a definite positive impact on so many of our lives. Sadly, Mr. Juenger passed away in 2003 at the age of 88. The following year, in 2004, the Stephen M. Juenger Memorial Fund was established.

Since the creation of the Fund, the Committee has distributed scholarships to Haverford seniors totaling \$115,250. This figure includes two \$9000 awards in 2018. The scholarship money goes directly to the college that the senior will be attending. We are proud that the scholarships go not only to athletes, but also to outstanding students who participate in the "Best Buddies" community service program. This very positive and successful program matches mentally and physically challenged students with other members of the class. They participate together in various school activities throughout the year. This often results in bonds that last well after graduation.

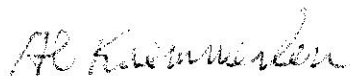

Discussions are going on to perhaps increase the number of scholarships to three for the 2019 year. A Juenger Fund Newsletter is published each year and can be found at www.haverford.k12.pa.us/hhs. Click "Athletics" and then scroll down to "Juenger Newsletters".

To continue to impact the lives of today's HHS graduates, we need your help. An individual contribution to the fund would be greatly appreciated and is fully tax deductible. Some classes, following a reunion, have also made a class contribution to the fund. All checks should be made out to the "Juenger Memorial Fund" and sent to The Philadelphia Foundation, Attention: Maggi Kirk, PO Box 826728, Philadelphia, PA 19182-6728.

Thanks so much for your consideration. I can assure that your support of the Juenger Fund will not only help the recipients, but also honor Coach Juenger. Also, it's a wonderful way to "give back" to a school that played such a significant role in our formative years.

Go Fords!

Yours very truly,

Al Kaemmerlen, HHS58
